7.4 Liability for damages will be limited and excluded, even if any exclusive remedy provided for in the Agreement fails of its essential purpose.

10.3 All written notices, including by electronic mail or facsimile, required by the Agreement must be delivered in person or by means evidenced by a delivery receipt or acknowledgment and will be effective upon receipt.

10.4 The Agreement is not intended to create a partnership, franchise, joint venture, agency, or a fiduciary or employment relationship. Neither party may bind the other party or act in a manner

which expresses or implies a relationship other than that of independent contractor.

10.5 If any provision of the Agreement is held invalid by any law or regulation of any government or by any court or arbitrator, such provision shall be enforced to the maximum extent permitted to effect the intent of the parties, and such invalidity will not affect the enforceability of other provisions.

10.6 Rights and obligations under the Agreement which by their nature should survive, will remain in effect after termination or expiration of the Agreement.

10.7 Any express waiver or failure to exercise promptly any right under the Agreement will not create a continuing waiver or any expectation of non-enforcement. To be enforceable, a waiver must be in a writing signed by an authorized representative of the waiving party.

10.8 No modification to the Agreement will be binding, unless in writing and manually signed by an authorized representative of each party.

10.9 The Agreement constitutes the parties' entire agreement relating to its subject matter.
